Lawyers Juggling with the Law to Render It Void.

Now that Joseph Wood, the colored mur terer, who was to have been killed in the through the shrewdness of his counsel, R. J. him a new lease of life, interest Jugiro, whose fate has been decided by the United States Supreme Court, and whom only Executive elemency can save from taking experiment at Sing Sing.

Jugiro was brought down by State Detective lackson, on the train leaving Sing Sing at 8.35 o'clock this morning, for resentence,

Had it not been for his downcast appearance and look of utter despair, he would have been staken for a wild Apache, who felt not at all at home in his new suit of citizen's dress and great overcoat

over a foot long, and his face is covered with a He Has Now Consumed 30% thick growth of black beard.

The murderer did not once raise his ever from the shackles that encircled his wrists. in the car he crouched down in his seat and hid his face in the folds of the huge collar of It was an effort for him to walk and De-

ive Jackson had to support him on his arm going from the train to the elevated station, and from the City Hall Station to the Court-

Bundled and doubled up as he was the mur derer attracted everybody's attention. A man who recognized Jugiro on the Elevated train told his neighbor about him. The neigh-

bor, in turn, told his neighbor, and so on. In

an instant all eves were turned on the appar-

ently inanimate form huddled together in a cor others stared boldly at him. The Jap was utterly oblivious of what was going a around him. When spoken to the simply looked straight before him. He made no reply to

Whenever Detective Jackson told him to do Whenever Detective Jackson told him to do something he obeyed mechanically; otherwise be gave to evidence that he was alive.

The officer and his prisoner arrived at the District Attorney's office at 10 o'clock. There durito remained till arraigned in Court. While Jugro was seated in the prisoner's dock in the Court of Oyer and Terminer, awaiting sentence, Detective Jackson removed the prisoner's handcoffs. With his right hand Jugiro then awept back his long hair, which hing down over his forenead in a disordered mass, and for the first time revealed fully his dark face.

mass, and so the dark face.
But as still kept his gaze riveled on the floor.
His body swayed slowly backward and forward. This was the only sign of emotion that

ward. The war the order against the betrayed.

The court-room was crowded when Judge Brady, accompanied by District-Attorney Fellows, entered. They were soon followed by Roger Sherman, who appealed the concemned man's case to the United States Supreme

language, and as Jugito listened great drops on perspiration toroke out on his face and orchead, and rolled down his cheeks, which assumed a deadly pallot.

"The septence heretofore pronounced by this Court against you on convict on for murcer in the first degree and the period fixed for your execution having expired and the judgitest not having been carried into effect by reason of the appeal of your counsel to the Court of Appeals, and that court having affirmed the judgment and the remittion to hast effect having been received and filed to take court and judgment entered doon it, it becomes the duty of this Court how to designate a week in which the Judgment and another murcer and court how to designate a week in which the Judgment shall be carried out in manner and

Judgement shall be carried out in manner and form according to law. The Court designates the week commencing Jan. 19, 1891.

'You are therefore remained to the custody of the Agent and Warden of the State prison at hing Sing, there to we executed according to law.'

Rick Lake, Wis., Dec. 1.—Saturday night a gaing of men, working at Miller, Signor & Ca.'s lawging camp, out work on the opposite.

word of sympathy for the wretered criminal of here, and at 5 o'clock began their perilification for the perilification for the perilification for the perilification here. He writed to consult with film and the water as to fallow action in the case.

A high wind was blowing and the water as to fallow action in the case. as to future action in his case.

A high wind was blowing and the water was nearly covered with heavy cakes of ice.

Mr. Peliows said the court could not grant a star, Judge Brady thought he could, and ordered betteriev Jackson to keep Jagiro here until 6 o'clock this evening.

"Am I compelied to oney the order of the Court," asked Detective Jackson.

"You certainly are," was the reply.

"An I compelied to oney the order of the Prisoner must remain in your custody."

Mr. Heinzenman said that he would apply for a writ of habess corpus to one of the State 18 preme Court judges during the atternoon on the grounds stated in as objections to the resentance.

Ju ge Hrady's action in ordering Detective Jackson to sold the prisoner here, to suit the convenience of his lawyers, was, like the appeal gran ed in Wood's c seep Judge Brown, construed to mean to act ar a stay.

District - Attorney Fellows told the court

peal grau ed in Wood's c se by Judge Brown, peal grau ed in Wood's c se by Judge Brown, construed to mean to act as a stay.

District - Attorney Fellows told the court plainly that there was no law to sustain his action.

Lawyers held diverse views on the matter, tut to make sure that no intch in the proceedings should occur Juggro's attorneys decided to take no further legal settion and their client to take no further legal settion and their client to take no further legal settion and their client water. The others were saved.

The victims were Frank Fournier, John Crotto, Arthur Fage. William Knight, Charles Stykes and A. D. Clark.

water.

JUGIRO THE NEXT.

JUGIRO THE NEXT.

Frestoring y a week, just about the time his fate had been decided by the court of last recort.

Previously Jugito had been a model prisoner, bowing and smilling to his keepers and guardance atting hearthy and gaining the good will of everyone with whom he cause in contact.

On that day, however, he andready conneed, He refused to cut. He wouldn't talk. He lay on his bed with his face turted to the wall, and no amount of persuasion could induce him to say what affected him.

It was suspected that one of his guards had unguardedly dropped a remark about the probable decision of the Supreme Court Judges, which had been very clearly outlined by their remarks when Jugito's case was presented to them by Lawyer shermau.

A strict investigation by Warden Brush and Principal Keeper Connaughton, nowever, failed to disclose any such evidence, and the cause of the change in Jugito is still a mystery.

Wood, on the other hand, whose lite has been so unexpectedly prolonged, is desirious with joy. His religious fervor is not as great as it was last week, and he reads his little Testament somewhat abstractedly.

He now hopes that his shewd lawyer will be
